

Ranking System

Inactive Player Policy

1. General Criteria

- All players will be displayed on the ranking list and website.
- Player drops 1 spot in the ranking for every 13 months of inactivity.
- Player will be deleted from the ranking list after 5 years of inactivity.
 - Player will lose ranking and all historical data.

2. Top 10

- The Wednesday following Racquetball Canada's National Championships the HPC will identify any player within the top 10 of the official Canadian rankings who has not played in a National Team Selection Event or National Championship in the Open division within the previous season.
- Any such player will be dropped one spot in the official rankings.
- Exemptions as per the National Team Selection criteria will be considered.

3. Pro Tour Exception (for seeding purposes)

- Any player ranked in the top 8 on the IRT or LPRT will be seeded as such:
 - Active player will be seeded according to their Racquetball Canada ranking
 - Inactive / new player will be seeded 6th.
 - If more than 1 player - will be seeded from 6 to "5 + X" according to their IRT or LPRT ranking.
